Most gallery shows remain in the space for 2 weeks, but we are open to your needs. It is your show, and we want all aspects to fit your creative vision perfectly. This time in our after your event space is free. On the weekends, our sales team can talk to customers about your work. If your work is for purchase, we want you to make as much as possible. Approved Vendors: Food + Drink

Bar Services: **Barcart** <https://bar-cart.com/bartenderrates>

Barcart provides licensed and insured bartenders for your event. They can provide alcohol or serve the alcohol you purchase. Many people prefer to buy their own alcohol and pay only for the bartenders to serve. This option is often more affordable and is tailored to your needs exactly. Barcart can also provide a cash bar if you prefer that drinks are for purchase by your guests. POMKT can handle this for you completely with an extra service charge of \$75

Food Services: POMKT can provide light snacks (nuts, fruits, crackers, cheese, and arrange it beautifully for your guests beginning at \$250 and up depending upon how many guests you are expecting and what food you would like.

Blue Fox Cheese: If you prefer to source food out of house, we love working with Bleu Fox Cheese Shop. Their catering menu can be found here: <https://www.bleufoxcheeseshop.com/private-events>

Need Extra Rentals? No Problem.

We work with local rental companies and can provide you with the following as well as pick up/set up/return.

30" round Highboy Bar table with white tablecloth: This is a great option if you are serving food & drinks to many guests so they can have a place to stand and put their plates and drinks. Stands approx. 4 – 5 people: \$10/table + \$15/tablecloth **We suggest no more than 4 – 5 for our space.

6ft rectangle table with white tablecloth: This option is wonderful for bar setups and food tables. \$10/each for table + \$15/tablecloth
