EVENTS @ POMKT

Options and Pricing Structure

about our space

OUR PRICING STRUCTURE

We offer tailored packages for your needs. We are always here to work with you and to answer your questions. We can't wait to hear from you.

CATERERS

We can certainly work with you to find the perfect caterers and bartenders for your event and recommend companies we have worked with and trust. We currently only offer our space, and caterers, equipment, food and drinks need to be scheduled by client and brought in separately. We do have caterers, bartenders, florists and event photographers we can recommend.

OUR SPACE FEE

We know every budget is different, and every event is different. Depending upon the size of your event, and the rearrangement of our space that is needed, we charge a sliding scale fee of $500-$2500. This also covers cleaning fees before and after.

DAMAGE WAIVER

Our shop and studio is an extension of our home. For this reason, we ask that our event clients sign a damage waiver in agreement to pay for any damage done to our space and/or inventory during your event. We know it won't happen, but it's there just in case, for everyone's peace of mind.

EVENTS @ POMKT

We are honored you are interested in sharing a special life moment in our space, and we look forward to making it pure magic!
